Hi Alice,

I'll add the attached email to include when the tentative offers were made. Last I checked on Friday the (b) still hasn't cleared PSB, but I'll follow up with Tina Johnson again. It sounds like you need a few more details about the offer dates and when the others cleared PSB? I can add that to the attached and I'll let you delete any of that information that doesn't need to go up to Mike Flynn.

Respectfully,

Thanks, Danielle.

Please write up the quick history that we discussed last week. When the cert was returned with selections, who was selected, of those who the (b) was and the timeline of each to clear PSB and receive offers.

That will be sent to Mike Flynn to make the case to hire (b) (6)

In the meantime, could you also check the status of his clearance with PSB? We need to ensure that he is ready to go if/when we get the green light to bring him on board.

Thanks,

~ Alice

Hi Alice,

Late Friday I swung by your office to tell you that the vet was still interested in the position. Please let me know if there is anything else that you need from me.
